

The Friends of the East Hampton Library

The Friends of the East Hampton Library were begun in the late 1960's to support the programs and offerings of our East Hampton Library. Over the years this support has taken many forms.

Today the Friends provide museum passes for patrons, to among others:

New Britain Museum of American Art
Connecticut Zoological Society
Florence Griswold Museum
Connecticut River Museum
Connecticut Trolley Museum
New England Air Museum
Connecticut Children's Museum

Mystic Seaport
Discovery Museum
Mark Twain House
Harriet Beecher Stowe House
Imagine Nation
Lutz Children's Museum
Peabody Museum

These passes save patrons approximately \$25,000 per year in museum fees making activities family friendly and economical.

Over the last twenty years, the Friends have provided a **scholarship** to a graduating senior of East Hampton High School.

For over twenty years, the Friends sponsored a purchase award for **the annual Art Association art show**, with paintings being made available for circulation.

The Friends recently covered the cost of a **refurbished aquarium** for the children's room.

Summer reading programs have been an integral partnership between the Friends and the East Hampton Public Library.

Please consider joining the Friends today!
